

SolidWorks hardware bundles from Dell and Cadtek Systems

Cadtek's engineers have worked with SolidWorks to specify three hardware packages that will satisfy virtually any CAD requirement. If you buy SolidWorks as part of a Cadtek Hardware Bundle we will provide you with a DISCOUNTED Dell workstation or M6400 laptop to help make the most of your SolidWorks software. Contact your Cadtek account manager for the latest deals and see how much you can save!

Option 1 (laptop):

Dell Precision™ M6400

Option 2 (mid range desktop):

Dell T3500 Base
